Until I am lost in Your love

Till I am found in Your presence
G C C7
Worshipping before Your throne
C7 Fmaj7
Mov'd by Your Spirit
G Em
Entering into His flow
Am Dm7
How precious these moments
G7 C
Lord I want You to know

F G Em
It's You, You who have won my heart
Am Dm7
Taken me into Your arms

Comforted me like a friend

Your love surrounded me from the start
Am Dm7
I never want to be apart
G7 C
From You ever again
