

HE IS LOVELY

G
I can see that you love Jesus first
Am
It's plain to see
D *G*
And that you sit close and hear His heartbeat

For in your eyes I see shining love
Am
That speaks so clear
D *G*
And I can hear them singing so sweetly

G *Am*
He is lovely, He is holy
D *G*
Gave supremely that all men might see
G *Am*
He is gentle, tender hearted
D *C* *D* *G*
Risen Savior, He is Lord
C *D* *G* *C* *D* *G*
(You are God, You are God)

G
Master, Maker, Life Creator
Am
Come and dwell in me
D *G*
That my heart may know Your tender mercy

Shine thru me that all may see Your love
Am
So full and free
D *G*
And I'll declare Your praise thru endless ages
