

HIS LOVE IS WARMER

C *F* *G7*
His love is warmer than the warmest sunshine

C *Am*
Softer than a sigh

F *G7*
His love is deeper than the deepest ocean

C *C7*
Wider than the sky

F *G7*
His love is brighter than the brightest star

Em *Am*
That shines every night above

F *G*
And there is nothing in this world that can

F *G7* *C*
Ever change His love

C *F*
Once I thought that love was meant for

G7 *C*
Anyone else but me

G7
Once I thought that no one knew the way

C *F* *G7* *C*
Now that only goes to show how wrong we all can be

F *G7* *C*
Cause now it seems He loves me more each day

C *F*
Something happened to my heart

G7 *C*
The day that I met Him

G7
Something that I never felt before

C *F* *G7* *C*
And that something is that He has buried all my sins

F *G7* *C*
And everyday I know He loves me more
