I WANT TO SING

C7 *Fmaj7*
I want to sing
Dm7 *G* *Em*
Until I am lost in Your love
Am *Dm7*
Till I am found in Your presence
G *C* *C7*
Worshipping before Your throne
C7 *Fmaj7*
Mov'd by Your Spirit
G *Em*
Entering into His flow
Am *Dm7*
How precious these moments
G7 *C*
Lord I want You to know

F *G* *Em*
It's You, You who have won my heart
Am *Dm7*
Taken me into Your arms
G7 *C* *C7*
Comforted me like a friend
F *G* *Em*
Your love surrounded me from the start
Am *Dm7*
I never want to be apart
G7 *C*
From You ever again
