

## IT'S AMAZING

*C*  
I have searched the whole world over looking for things  
*F G C*  
That I thought would fill my heart and ease my pain.  
*Am F*  
I can climb the highest mountain, or sail beyond the seas,  
*C G F*  
But it always brings me back to you again.

*C G*  
It's Amazing how You love me  
*C F G*  
It's Amazing how You care  
*Am*  
It's Amazing how You're always thinking  
*F G C*  
Of me, all the time, everywhere.

There are times when I feel lonely and twisted up inside;  
On who I am and what I want to be  
There's a yearning deep inside me and a longing to be free  
And it always brings me back to you again.

*Am F C*  
I have lived my life an outlaw on the run,  
*Am F G*  
Leaving broken-hearted dreams for everyone.  
*Am F*  
But no matter what I do and no matter what I've done  
*C G F*  
You will always take me back to You again. (chorus)
