

## JESUS IS HERE RIGHT NOW

*C*                    *D*                    *G*

Jesus is here right now

*C*                    *D*                    *G*

Jesus is here right now

*C*                                    *D*                                    *Bm7*                    *Em*

His precious blood was shed to save us

*C*                                    *D*                                    *Bm7*                    *Em*

His mighty word was sent to heal us

*C*                                    *D*                                    *Bm7*                    *Em*

His holy name has power to deliver us

*C*                    *D7*                    *G*

Jesus is here right now.
