

## LET'S GO TAKE THIS CITY

*G D G*

Let's go take this city

*D G*

Let's go fight in faith

*D Bm G D Em*

Demons tremble when we start to pray

*G D G*

Let's go take this city

*D A Bm*

Let's go storm the gates

*Em D G A D*

Walls will crumble when we shout His praise

*D G A*

For His kingdom extends

*F#m Bm*

To the borders of this city

*G F#m*

And everything within

*Bm Cmaj7*

Is His domain

*G A*

We must rise once again

*F#m B7*

He has given us this land

*Em D*

Let's go take it in

*Em D Em D*

Take it in, take it in

*G E G*

Take it in His name

*D G A*

For the name of the Lord

*F#m Bm*

Will be worshipped in this city

*G F#m Bm Cmaj7*

As His power is revealed in us again

*G A*

We must go forth and conquer

*F#m B7*

We have come for such an hour

*Em D*

Let's go take it in

*Em D Em D*  
Take it in, take it in  
*G E G*  
Take it in His name
