

O LORD YOU'RE BEAUTIFUL

D *G* *A*
O Lord, You're beautiful
D *G* *A*
Your face is all I seek
Bm *F#* *Bm* *D*
For when Your eyes are on this child
G *A* *D*
Your grace abounds to me

O Lord, You're wonderful
Your touch is all I need
For when Your hand is on this child
Your healing I receive

O Lord, please light the fire
That once burned bright and clear
Renew the lamp of my first love
That burned with holy fear
