Bm *Em* *Gb* *G*
We are the people ... people of holiness
A *F#m*
We are the people ... people of righteousness
Bm *Em* *Gb* *G*
We are the people ... people of zeal and fire
A *F#m*
We are the people ... people of God's desire.

We are the people with minstrel hearts
We are the people of song
We are those with the psalmist voice
Singing the Father's song.

We are the people of heaven's grace
We are the people who share
His passion and zeal to touch the world
Displaying His holy fire.
