*D*                      *G*                      *D*  
There is one body, we have one Lord  
*G*                      *D*  
United in the Spirit, we are going forth  
*G*                      *A*  
With His praises on our lips  
*F#m*                      *Bm*  
And a sword in our hands  
*G*  
We are marching on with power  
*Em7*                      *A*  
As we possess this land

*D*                      *A*  
We are people of the Lord, we're a holy nation  
*G*  
A chosen generation called  
*D*                      *Em7*  
To show forth His praise  
*D*                      *A*  
We are the people of the Lord, We're a holy nation  
*G*                      *Bm*  
Believers in Jesus

Lifting up our voices to the Lord
