

PRAISE HIM

C *Am*
Praise Him, praise Him
F C
Praise Him, praise Him

C G
We have assembled
F C
To praise the One we love
Am Em Dm G
We join the chorus of angels up above
C G
They sing hosannas
F C
And their praises to our King
Am Em
So we join our voices
Dm G
All together now and sing

C G
We are Your children
F C
We've come to seek Your face
Am Em
We have come boldly
Dm G
Before the throne of grace
C G
To love and worship You
F C
And listen to Your voice
Am Em
You are our Father
Dm G
And how our hearts rejoice
