

PRAISE TO YOU

E *F#m*
Praise to You, praise to You
E *A*
There's nothing else I'd rather do
F#m *A*
Than standing here in Your presence
B7 *E*
And give praise to You

A7 *E7*
I know You're holy
A7 *E*
And still I seek Your face
C#m *G#m*
By the blood You shed for me
F#m *B7*
And Your amazing grace

E *F#m*
I give praise to You, Lord, it's true
E *A*
All I really want to do
F#m *A*
Is standing here in Your presence
B7 *E*
And give praise to You

A7 *E7*
I know You love me
A7 *E*
And knowing that You care
C#m *G#m*
Only makes this hearts of mine
F#m *A*
Want to hurry there
B7 *E*
And give praise to You
