

SHOW ME

G D Em C
Show me Your heart, show me Your face.

G D C D
Show me Your hands and the scars that I made.

G D Em C
Show me Your mercy and let it flow down,

G C D G
From the cross, when You showed me You loved me.

Show me Your glory, show me my shame.

Show me You'll hold me so I won't be afraid.

Show me Your grace and let it flow down,

From the cross when You showed me You loved me.
