

STIR UP A HUNGER

G *D*
Day into night

Em *D*
You can turn the dark into light

C *D*
You can take a soul that was lost

G *D*
And turn it around...

Lord, on my own
My heart can turn as hard as a stone
But You can make it tender again
With Your love...

G *D*
Stir up a hunger

Em
Stir up a hunger in my heart

C
Nothing will satisfy me

D *G* *D*
Nothing else will do

G *D*
Stir up a hunger

Em
A hunger in my heart

C *D*
Stir up a hunger in my heart

G
For more of You.
