

STONES WE'VE GATHERED

Footnote 2

E *B G#madd9*
We are children of one family,

Disciples in one holy school;

Sheep in one flock and part of one body,
For the sake of the body...broken for us.

For we have tasted and seen the Lord,
And have seen that the Lord is good;

Our stones we gather and set at His feet,
And build upon His firm...His firm foundation.
