*D*                      *A7*                      *D*  
Thy word is a lamp unto my feet  
                    *G*              *A7*              *D*  
And a light unto my path (2x)

*A7*                      *Em*  
When I feel afraid  
*Bm*                      *F#m*  
Think I lost my way  
*G*                      *A7*                      *G*              *D*  
Still You're here right beside me  
*A7*                      *Em*  
Nothing will I fear  
                    *Bm*                      *F#m*  
As long as You are near  
*G*                      *A7*                      *Bm A7*  
Please be near me to the end

I will not forget  
Your love for me and yet  
My heart forever is wandering  
Jesus be my guide, hold me to Your side  
Help me to love You to the end
