

WE LOVE OUR GOD

D

We love our God

G *A*

He always hears us when we cry.

D

His peace is so complete,

G *A*

His love is so divine.

D *G* *A*

Sing a song of praise unto the Lord,

D *G* *A*

Sing a song of praise unto the Lord.

D *G* *A*

Sing a song of praise unto the Lord,

G *A* *D*

He will hold us in His love forevermore.

We love our God

For when we call upon His name,

He always comes for us

And brings us home again.
