

WE SHALL STAND

C *Am*
Lord, You have chosen me for fruitfulness
F *G* *G7*
To be transformed into Your likeness
F
I'm gonna fight on through
Dm *G* *G7*
Till I see You face to face.

C *Am*
We shall stand with our feet on the Rock
F
Whatever men may say
Dm *G* *G7*
We'll lift Your name on high
C *Am*
And we shall walk through the darkest night
F
Setting our faces like flint
G *C*
We'll walk into the light.

Lord, as Your witness, You've appointed us
And with Your Holy Spirit, anointed us
And so we'll fight on through
Till we see You face to face.
