

# WE WANT TO SEE JESUS LIFTED HIGH

*G*                      *D*                      *Em*  
We want to see Jesus lifted high,  
*Em*                      *C /B /A /D*                      *G*  
A banner that flies across this land;

*G*                      *D*                      *Em*  
That all men might see the truth and know  
*Em*                      *C /B /A /D*  
He is the way to Heaven

*G-G-G*                      *D-D-D*                      *Em-Em-Em*  
We want to see, we want to see  
                    *C*                      *D/A*                      *G*  
We want to see Jesus lifted high. (repeat)

*G*                      *D*                      *Em*  
Step by step we're moving forward;  
                    *D*                      *Em*  
Little by little taking ground,  
                    *D*                      *Em*  
Every prayer a powerful weapon,  
                    *C*                      *D*  
Strongholds come tumbling, down and down...!
