

WELCOME TO THE FAMILY

G *Am*
Welcome to the family
D *G*
We're glad that you have come
Am
To share you life with us
D
As we grow in love
G *Am*
And may we always be to you
D *G*
What God would have us be
Am
A family always there
D *G*
To be strong and to lean on

Am7 *D*
May we learn to love each other
G
More with each new day
Am7 *D*
May words of love be on our lips
G
In everything we say
Am7 *D*
May the Spirit melt our hearts
G *Em*
And teach us how to pray
Am7 *Cmaj7* *D*
That we might be a true family
